

Latest News on Rules and Regs

Glasgow City's Allotments

The Food Growing Team will be reporting to the Environment and Liveable Neighbourhoods City Policy Committee on the **Allotments Rules and Regulations Consultation Outcomes** on Tuesday March 12th. The meeting starts at 1.30 pm at the City Chambers.

The report that will be presented to the Committee is due to be published the week before, on Tuesday March 5th, so you should be able to download it as a PDF. The relevant tags for Google etc on the GCC site are :

Committee Information - Latest Meetings and Agendas or

Committee Information – Public Document Search.

GAF proposes to set up a zoom meeting to discuss what is being put forward to the Committee and what we think our response should be - on **Saturday March 9th at 10.30 am** – which should give us time to read the report. **If you would be interested in attending this event please let us know at Gafforum@gmail.com** and we will send you a zoom link.

The Food Growing Team will also be reporting to the same Committee on their progress in implementing the **Food Growing Strategy Action Plan** (including presenting the Annual Allotment Report), on Tuesday the 30th April so that is another date to note in your diary since we'll also be looking at the implications of that as well.
